

GO JUMBO

Blueberries are getting BIGGER!

More farmers are growing blueberries that are bigger and juicier than the classic varieties. They are called JUMBO BLUEBERRIES.

1.4" ACTUAL SIZE!!

THE WORLD'S LARGEST BLUEBERRY WAS GROWN IN AUSTRALIA IN 2020. THE HUGE BERRY WAS 1.4 INCHES IN DIAMETER, WEIGHED .57 OUNCES AND WAS IN THE GUINNESS BOOK OF WORLD RECORDS!
